During the last academic year our governors, staff and children reflected on our school vision and values.

We looked closely at our unique offer and our aspirations for all children to achieve these.

We have pleasure in sharing our revamped vision and values.

Our School Vision

Alsagers Bank Primary Academy, nurturing happy and thriving children.

We achieve our school vision by promoting and maintaining our school values.

School Values

Always ready, show respect and stay safe.
Boost curiosity and creativity.
Promote resilience in ourselves and others.
Aim high in all that we do.
